

# All About Lakes, Rivers & Fly Fishing Too!

## Survivor!

Read the "Animal Life" portion of the "Our Environment" section of [www.kidfish.bc.ca](http://www.kidfish.bc.ca). Then for each animal place in the following chart how they deal with winter climate.

Animals	Ways they adapt to their environment to survive winter.
Humans	
Bears	
Birds	
Wolves	
Caribou	
Squirrels	
Mice/Moles
