

## Lake Formation and Features

What are the mentioned five ways that lakes fill with water?

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

### Fish?

Lakes form in all kinds of places. Three types are mentioned that, in most cases, naturally do not have fish in them. Fill out the chart below in note form.

Type of Lake	Notes (how are lakes formed and filled, where are they found)
Kettle Lakes	
Alpine Lakes	
Spring and Groundwater Lakes
