

## Seasons of a Lake

1. In the “Our Lakes” section of [www.kidfish.bc.ca](http://www.kidfish.bc.ca), go to “Seasons of a Lake”
2. Using the information provided compare how the conditions in a lake change during the seasons. Make sure you make notes, where possible, about the **plant life**, **oxygen content**, **animal activity**, and **water conditions**.

Season	Conditions in the Lake
Winter	
Spring	
Summer	
Fall
